

Der treue Husar

or

The Faithful Hussar (soldier)

There are some scenes in movies that just mesmerize some of us...this song sucks the air out of the clambering French soldiers...

Do you have songs, scenes, and stories you play over and over again?
Maybe being grabbed by the moment, the minute, the message?

Stanley Kubrick married this 25 year old "Susanne Christian" the year after the 1957 movie.

Her singing the song is one of those meaningful and mesmerizing moments.

It starts with "Sag den Herrschaften guten Tag" or "Say hello to the gentlemen."

"Guten Tag."

<i>Ein ganzes Jahr und noch viel mehr</i>	A whole year and much more
<i>Die Liebe nahm kein Ende mehr</i>	Love never ended
<i>Und als man ihm die Botschaft bracht</i>	And when the message was brought to him
<i>Dass sein Herzliebchen im Sterben lag</i>	That his darling was dying
<i>Da liess er all sein Hab und Gut</i>	Then he left all his belongings
<i>Und eilte seinem Herzliebchen zu</i>	And hurried to his sweetheart
<i>Da liess ser all sein Hab und Gut</i>	Then he left all his belongings
<i>Und eilte seinem Herzliebchen zu</i>	And hurried to his sweetheart
<i>Ach bitte Mutter bring ein Licht</i>	Oh please mother bring a light
<i>Mein Liebchen stirbt – ich seh es nicht</i>	My love dies - I don't see it
<i>Das war füwahr ein treuer Husar</i>	It was a faithful hussar
<i>Der liebt' sein Mädchen ein ganzes Jahr</i>	He loves his girl a whole year
<i>Das war füwahr ein treuer Husar</i>	It was a faithful hussar
<i>Der liebt' sein Mädchen ein ganzes Jahr</i>	He loves his girl a whole year
