

These short notes represent a *prima facie* look at our 65<sup>th</sup> reunion and will be looking for the input of others to add, or make corrections, noting there was a group picture taken before the meal. I had to get on back to Denton America but did stay for the set up and greeting.

Those classmates present (best as I can count...):

Don Yeager  
Pat Mitchell Garrett  
Adolphine Holt  
Paula Pierce  
Sylvia Roberson Fore  
Laura Carol Harris  
Jo Lynne Jones  
Linda Mary Gilstrap  
Bobbie Amerson  
Ernie Hoskins  
Bobby & Sandra Moore  
Sue Pylant  
Carolyn Essary  
Gary Clift  
Keith Read  
Jon Stromberg  
Cecil Williams  
Gary Heartsill

1. Tip of the hat to Pat and JT for the phone calls and emails!
2. Tip of the hat to Don, Carolyn, Adolphine, and Dale for the dinner 'spread' as it was for kings and queens.
3. Tip of the hat to Paula for greeting everyone at the door.
4. Tip of the hat to Keith for being our Class President and leading the gathering.
5. Have attached a sign in sheet hoping I got every one's signature (and/or name on the page. Let me know if anyone was missed.
6. Have attached a previous reunion picture of those who made the first eight and the signatures of the classmates who have made all nine.
  - a. Ollie Taylor passed away recently so with Sara being gone we lost two from this page. Five of us have made all nine reunions...have I missed anyone with this feat?
  - b. Jim Harrell's funeral is on Wed this week at the Episcopal Church in Ardmore44.

Hopefully, we will get some more input from the notes, email, texts, and other media.

"There ain't many of us left!"
