

The hour is here NOW –
God is spirit – and truth
I know that Messiah is coming...when he comes

I AM (HE)

Εγ - μτ

NOW
I KNOW
I AM

If this story were taken out of St. John
I too would have to be taken out.
This story is it.
This story
Is it...

NOW!
(I believe)
"I am here"

He said,
Drink my water
And you will have life
- now! & forever

He said,
Look into my eyes
Listen to my words
Hear what I say

Yea, Lord
I see
I hear
I believe

Go...

Live your life!

There is no more...
No more does not matter
If you have life
You have the promise.

Jesus (God) revealed His love
*"He, of whom she has spoken,
is even now present,
and is talking with her."*

Can you imagine? (yes, I can - MercyMe)
Standing, there.
Saying 'I believe'
and hearing the Word?
and then receiving LIFE?

Can you understand? (really the truth)
The hunt is over
This is absolutely it
NOTHING ELSE IS REQUIRED!!!

No more waiting "For that day"
No more reading "Everyday"
No more compliance
No more – NO MORE!

This is it –
Say "I believe"
Listen: "I am He"
GO! Live your life!

Nothing, not nothing else
Is required...

Oh, before you walk away
leaving your water pot,
there are two items
in this poem you must hear:

I This story about a woman
 is really a story about you.
 This is just a story
 that didn't really happen.

 This story is really for you
 to have happen to you.
 This story is the blue print
 of what can, will, has happened to you.

 Jesus spoke to you
 Jesus looked into your eyes
 Jesus revealed God's love for YOU
 Jesus is here **NOW**.

II Look at this story as if this
is the only story of all the stories.
Look at this story as if this
Story is really the only story there is.

Think about this story – about God’s LOVE
Think only this – Jesus giving LIFE
Think – nothing, else is needed
Think – “Thank you Jesus!”

(Yes, you NOW have life – and have life
ABUNDANTLY!)

The hour is here NOW -
